

The National Aeronautics and Space Administration

Presents the

Group Achievement Award

for the

Multi-angle Imaging SpectroRadiometer Team

to

Ákos Horváth

in recognition of outstanding skill, teamwork, and dedication leading to successful development, deployment, and operation of the MISR instrument, science, and data systems that constitute a unique new multi-angle imaging experiment.

*Signed and sealed at Washington, D.C.,
this seventh day of May
two thousand one*

Daniel S. Goldin, Administrator, NASA
